Glow effect and production: Red Bird Publishing Ltd., U.K.

Bloom thinks she's just an ordinary girl who lives in Gardenia. Then one day, something magical happens.

Bloom transforms into a beautiful fairy! She learns to use her magical powers at Alfea College, where she meets other talented fairies with special skills. She and her friends form the fabulous Winx Club.

Bloom's best friend at Alfea is Stella, the Fairy of the Shining Sun. Stella is the Princess of Solaria, where people draw their power from sunlight.

Stella is the chattiest of the Winx. She's loyal and brave and knows all the latest styles and fashions. She *loves* to be the center of attention but knows it's important to work as a team when there's trouble.

Flora is the Fairy of Nature. She draws her energy from flowers, plants, and trees. She is also skilled at making potions.

Flora is very thoughtful and sweet and is often the one to soothe hurt feelings. Yet she is strong and fearless in battle.

Musa is the Fairy of Music. She can play all kinds of instruments and is always rocking out to the latest beats.

Musa's special powers include the ability to emit a sonic wave blast that sends her enemies flying! She has a natural talent for investigating and a super-keen eye for detail.

Tecna is the Fairy of Technology and is extremely intelligent. Always coolheaded, Tecna is the go-to fairy for creating devices to help the Winx Club out of trouble.

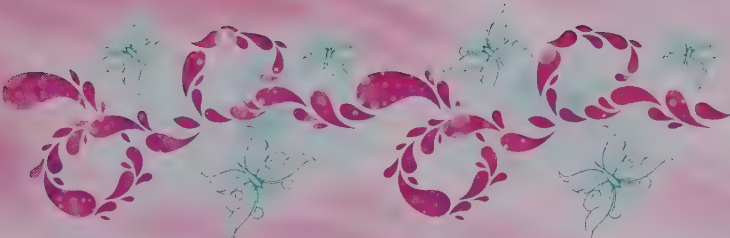

Tecna is the most logical of the Winx. Sometimes her reasoning gets in the way of her feelings, but her heart is *always* in the right place!

Aisha is the Fairy of Waves and the Princess of Andros, a magical undersea world. She has the power of water at her command, along with a magical energy called Morphix that helps the Winx escape tricky situations.

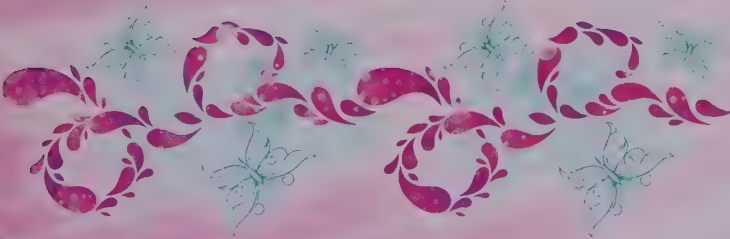

Aisha is extremely brave and resourceful. She is always willing to tackle a new challenge head-on. She also loves dancing and all kinds of sports.

Using their unique talents,
the Winx work together to
defeat evil. The more they
explore their powers at Alfea
College, the stronger they
become.

United, the Winx fairies are unstoppable!
